([PDF]) Becker's World of the Cell by by Jeff Hardin, Gregory Paul Bertoni, Lewis J. Kleinsmith

For courses in cell biology. Explore the world of the cell Widely praised for its strong biochemistry coverage and clear, easy-to-follow explanations and figures, Becker's World of the Cell provides a beautifully-illustrated, up-to-date introduction to cell biology concepts, processes, and applications. Informed by many years of classroom experience in the sophomore-level cell biology course, the dramatically-revised Ninth Edition introduces molecular genetics concepts earlier in the text and includes more extensive coverage of key techniques in each chapter. Becker's World of the Cell provides accessible and authoritative descriptions of all major principles, as well as unique scientific insights into visualization and applications of cell and molecular biology. Also available with MasteringBiology(R) This title is available with MasteringBiology-an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts. Note: You are purchasing a standalone product; MasteringBiology does not come packaged with this content. MasteringBiology is not a self-paced technology and should only be purchased when required by an instructor. Students, if interested in purchasing this title with MasteringBiology, ask your instructor for the correct package ISBN and Course ID. Instructors, contact your Pearson representative for more information. If you would like to purchase both the physical text and MasteringBiology, search for: 0321934784 / 9780321934789 Becker's World of the Cell Plus MasteringBiology with eText -- Access Card Package Package consists of: *032193492X / 9780321934925 Becker's World of the Cell *0134157257 / 9780134157252 MasteringBiology with Pearson eText -- ValuePack Access Card -- for Becker's
